Abstract:

In this article, we will learn about the government employees in the field of agriculture in the procedures of government service. These government employees work in places designated for agricultural work and provide necessary assistance to the farmers. Their work is determined depending on the nature of the work assigned to them. In the study of which planets in the horoscope are supportive for them to join this work, only four planets namely Sun, Moon, Mars and Saturn are taken into account in the study I am conducting.

Sun: The Sun is taken as the most important causal planet for working in the government sector.

Moon: The Moon is taken as the causal planet for agriculture-related work.

Mars: This land-related planet Mars is taken as the karaka planet for working in places related to land.

Saturn: This Saturn is taken as the karaka planet for working under the authority of the officer in a field.

It is my wish to conduct a study related to agriculture, which is why I planned to conduct a study on which planet is most helpful in the horoscope of government employees working in the agriculture sector and chose the topic "Planetary Position of Government Employee".

Key Words: Zodiac Sign, Birth Horoscope, Sun, Moon, Mars, Mercury, Venus, Saturn, Lagna Bhava, Second Bhava, Fourth Bhava, Sixth Bhava, Tenth Bhava, Eleventh Bhava, Government, Government Servant, Government Job, Agriculture, Land, Agricultural Land, Government Bank, Agricultural Loan, Farmers, Research, Life, Earth, Food, Production, Generation, Society And Extra...

Introduction:

In the last six months, I have been visiting many agriculture-related departments in the government sector, such as the Agriculture Department, Revenue Department, its subdivision VAO, Revenue Inspector, Surveyor, and Horticulture Department, Farm Agriculture Department, 100-Day Work Scheme, and collecting information from the employees working there and conducting research.

Not only that, the Tamil Nadu Cooperative State Bank, District Cooperative Bank, Primary Agriculture Bank, etc. in the cooperative sector provide necessary funds for agricultural development. I have also visited agricultural banks and collected information about the employees working there and conducted research.

Many people join the government sector to accumulate wealth quickly. However, what is the reason why only those who have a specific horoscope system come to the government sector? Which planet is the reason for choosing the "agricultural sector" in it? If we know this through astrology, we can make the country prosperous by introducing a horoscope with a good service attitude. The above topic has been chosen in the hope that the country can be enriched by introducing it.

For this, many government employees were met in person, their date of birth, time of birth, place of birth, their working ability, details of their achievements, name of the post, their characteristics, the great contribution they have made to agriculture, the charity they have done to the people through this, etc. were investigated and notes were collected.

Dominance of Planets in the Horoscope of Government Employee:

The research on the planets considered most important for the study, such as the aspect, conjunction, and star connection of the planets, has expanded the research on how the planetary position is seen to hold positions in the agricultural sector, and the Sun, Moon, and Mars are the most important reasons for the study.

Since the conjunction, aspect, and connection of other planets are considered minimal, the above planets are considered the main ones for the study.

In the horoscopes of the officials in office, the ruling planets, the Sun, Moon, Mars and Saturn mostly play a major role in the involvement of government employees in the government sector.

When the horoscopes of employees in the government sector are studied using these planets, the dominance of the Sun, Moon, Saturn and Mars plays a major role in the horoscopes of the majority of employees.

In order to select many astrological source books for this purpose, many astrological books were obtained from many government and private libraries, as well as university and college libraries, and the study was carried out. Furthermore, if it is not available even in libraries, then by obtaining and studying many astrological source books from highly experienced astrological gurus, it is a rare collection that has emerged that the above planets, the Sun, the Moon, and Mars, have a dominant role in the horoscope of government employees.

The astrological rules for government employees in the agricultural sector, which have been clearly indicated in the study of the above planets.

Rule 4:

The Sun or Moon or Mars is in conjunction with the lord of the sixth bhava or bhava.

Explanation:

The Sun or Moon or Mars is in the sixth bhava from the Lagna, or the Sun or Moon or Mars is in conjunction with the 6th lord wherever he is, and the 6th bhava or 6th lord is aspected by the Sun or Moon or Mars through their respective aspects.

Rule 5:

The Sun or Moon or Mars is in conjunction with the lord of the tenth bhava or bhava.

Explanation:

The Sun or Moon or Mars is in the 10th house from the Lagna, or the Sun or Moon or Mars is in conjunction with the 10th house, wherever the 10th lord is, and the planets Sun or Moon or Mars are aspecting the 10th house or the 10th lord through their aspects.

Note:

It is noteworthy that this study does not consider any star connection between the malefic planet and the malefic lords.

Here, the word connection refers to the aspect, conjunction, presence of planets in a particular sign, etc.

It is confirmed that the above five rules dominate the horoscopes of the vast majority of government employees.

Although studies have been conducted according to various astrological sources, in the book "Uttara Kalamirtham" published in the current period by the "Mahakavi Kalidasa" under the title "Bhumi Aalum Yogam", it is stated that

Bhumi Aalum Yogam:

Lagnat bhagya akarmapau yaditada tatbhagya karmadhipau
 Manat bhagya pakarmapau varasa svalpadikaara: kramat: i
 Sambandha traya samsttau sa sabalavan yonya kendras ritau
 Lagnatheesvara raasi nayakasa{tau jato thani bhupati: ii

Tamil Text, for a Horoscope...

- Those who have 9,10 in the birth sign have a high life status.
- Those who have 9,10 in the 9th place of the birth sign have a middle life status.
- 9th and 10th house of the birth sign will also give a low life status.

These three pairs of planets can form three relationships: 1. Combination, 2. Exchange, 3. Mutual view.

- If these three pairs have any of the above three types of relationships between them, they will be strong.
- If any pair of planets is located in the mutual center.
- If any of these pairs of planets is in conjunction with the zodiac lord where the ascendant lord is located.

One of the above configurations will be present in a horoscope, but that person will be very wealthy and will have the yoga of ruling the earth.

Example Horoscope 1:

Horoscope of a person working as an agricultural land surveyor in the government:

Name	:	Purushothaman	Star	:	Uttaradam
Date of birth	:	19.05.1995	Tithi	:	Panchami
Time of birth	:	05.40 AM	Yoga	:	Subam
Place of birth	:	Chengalpattu	Karanam	:	Vanisai
Zodiac sign	:	Capricorn	Ascendant	:	Taurus

	Ketu Ven	LA Sun Me	
Satu	Zodiac 19.05.1995		
Mo			Mars
	Jup	Rahu	

Rules Applicable in the Horoscope:

- Rule 1: Mars is in the Sun's house.
- Rule 2: Sun is in the Ascendant.
- Rule 3: The Lord of the fourth house is the Sun.
- Rule 4: The Lord of the sixth house is Venus, which is also the Lord of the Ascendant.
- Rule 5: The 10th lord; Saturn aspects Mars and the Ascendant lord.

This person has all five rules, and therefore he has been working in the government in the agricultural land surveying department for about 6 years.

Conclusion:

In astrology, a person's job is determined by the support of many planets, but it is taken as an important rule in astrology that the Sun and Saturn play a very important role in astrology for joining a job in the government sector. In general, to decide whether a government job is suitable, this study will be very useful in easily predicting in which sector the job will be suitable for them using the rules mentioned above.
